To 'The Team' at KMM

Thank you for designing and building us the most beautiful home! We are delighted with the finished product and can not wait to move in. Watching the building process and seeing the house develop has been both an incredible and exciting experience. All the team at KMM were a pleasure to deal with and demonstrated the highest standards of craftsmanship. Steve S. thank you for being so accommodating. We are especially grateful for your assistance with our challenging neighbours. Thanks for your support, guidance and professionalism in handling this matter.

We are very much looking forward to spending many enjoyable years in our new home.

Yours sincerely

Richard & Alyson

Dear Jamie,

We enclose our cheque in payment of your ak.

We would like to thank you for your generous concession in relation to the work which was quite unexpected.

Above all, we appreciate greatly your ready co-operation and attention to our problem which had become quite daunting for us.

The quality of the workmanship, the orderly flow of the job, and the co-operation of Steve Spencer, in particular, were first class.

I'm sure you've had many plaudits over the years from satisfied clients - you can add us to your list.

Again, thank you for a highly professionally executed project. We are delighted with the finished result.

With kind regards,
John & Margaret Macaulay
